About

The inaugural edition of IntraPac India, a premier Exhibition focusing on the Packaging Industry, commenced at 11:00 AM on March 14, 2024, at the India Expo Centre, Greater Noida. Distinguished guests, who attended the Inauguration Ceremony, included Heads of various Federations, Associations, International Institutions, Special Invitees, Exhibitors as well as Office Bearers and Members of Governing Council of IPAMA. Mr. Jaiveer Singh, President, extended a warm welcome to the delegates and also addressed the audience.

IntraPac India showcased a diverse array of packaging solutions including Plastic, Metal, Glass, Paper, Corrugation, Capping, Filling, Sealing, Bio-degradable Options, Protective Measures, Mono Cartons, Tin, Labelling, Traceability & Tracking, Logistics, Aseptic Packaging, Film, Moulding and more.

Despite being its debut edition, IntraPac Exhibition drew participation from 175 exhibitors representing different States. These exhibitors displayed cutting-edge packaging machinery and related products, focusing on both cost effectiveness and suitability to the end-users.

IPAMA facilitated exhibitors by offering exhibition space at subsidized rates, aiming to encourage maximum participation from MSME Units and foster business opportunities. Additionally, the office of DC, MSME approved financial assistance for exhibitors, covering space charges, freight charges and Airfare under the Procurement & Marketing Support Scheme of the Ministry of MSME.

While the Partner Associations and Organizations received complimentary exhibition space, IPAMA had also extended complimentary services and amenities to the exhibitors and the business visitors, including Lunch Coupons, Water Bottles, Tea/Coffee/Soup. Free Shuttle services were also provided from Botanical Garden Metro Station, Noida to India Expo Centre, Greater Noida.

Over the course of four days, the Exhibition attracted 13,065 visitors. Feedback from exhibitors and business visitors applauded the arrangements made by IPAMA, rating the Exhibition from Excellent to Fair. Furthermore, exhibitors also provided constructive suggestions for improvements in the next edition. IPAMA will give due consideration to their suggestions while planning future editions.

Visitors' Feedback

I came for packaging solutions. Packaging solutions were better. I got benefitted. I came to know about IntraPac through Net/Google. Felt very nice. Companies are Good. The packaging solutions looked better.

Sumit Tyagi, Saharanpur

I'm running a pouch packaging company on local level. Just get to know about this exhibition few days ago. I found a complete packaging solution in this exhibition. Well organized, so many exhibitors, seeing good foot fall as well.

Priyanka, Bangalore

I came to this place many times for different packaging related exhibitions. I could get two products. IntraPac is very well planned as well as all the Stalls and Vendors and the supporting members are participating. This Exhibition has fulfilled all my requirements. I am quite satisfied. The purpose is fulfilled according to my requirement.

Sanjaya, New Delhi

It was a wonderful experience to visit IntraPac India fair. The quality of the fair was very good. To my surprise this event turned out to be much more useful and relevant for me. As I was looking for new packaging concepts for different product categories as well as transition packaging solutions, this fair turned out to be a one stop shop for all the requirements. I'm looking forward to the next season of the fair and more new exciting packaging for my products.

Abhishek Tripathi, Pune

We manufacture UV Coating Machines. Here I got so many solutions, our requirements were fulfilled. Overall, it looked best exhibition on packaging industry, it has improved a lot.

Geeta Aiyer, Chennai

It was a great experience to attend the IntraPac India exhibition on the packaging industry, I just get to know this exhibition from social media. I came from Kolkata to attend this exhibition, I just found so many solutions on the packaging for my business. The arrangement and all are very good. Waiting for next year edition with some more new technologies.

Srijit Banerjee, Kolkata

Exhibition is very good, found so many big companies here, good companies in pouch packaging. It was successful visit to the show.
